Erasmus+

Making technology work in the classroom

Dublin

20 hours: 17 July – 21 July 2023

Course content

Cultural exchange

Comparing teaching experiences

Classroom strategies

Post-Brexit Dublin

Housing shortages

Expensive
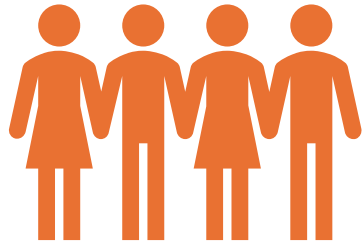

Increased demand for language courses

Business sector boom

Brain-drain → young people leave Ireland

EPIC The Irish Emigration Museum

10 million Irish people left Ireland to emigrate to other countries

The history of the Irish diaspora

Irish slang

Craic	=	fun
What's the craic?	=	How's it going? (as a greeting)
The Jacks	=	the toilet
Grand	=	good / OK

Comparing teaching experiences during the pandemic

Spain
Hungary
Italy

- Organising DAD
- Implementing online teaching strategies
- Motivating students and maintaining attention span
- Contrasting smartphone addiction
- Facing increasing fragility and anxieties
- Inclusion
- Increased workload demands from education ministry, students and families

Games

Sites

Apps

Dobble, "What am I?", Story Cubes, Chair Yoga, Chair Zumba

checkin.daresay.io

wordwall

Newspaper articles (discuss real and fake news)

TEDEd

Symbaloo

Films   (learn languages, demonstrate grammar rules)

Canva   (students explain a topic to the class)

AI   (use ChatGPT in a positive way in class)
